AGREEMENT

THIS AGREEMENT, MADE AND ENTERED INTO AT THE City of Fond du Lac, by and between the COUNTY OF FOND DU LAC, hereinafter referred to as Employer, and FOND DU LAC COUNTY LAW ENFORCEMENT EMPLOYEES who have designated the Civilian Employee Relations Division of the Wisconsin Professional Police Association as their designated representative for Non Protective Service Employees who are employed by the County of Fond du Lac in the Sheriff's Office.

ARTICLE I. INTENT AND PURPOSE

1.01 It is intended that the following Agreement shall be an implementation of the provisions of Section 111.70J of the Wisconsin Statutes, consistent with that legislative authority which devolves upon the County of Fond du Lac, the statutes and, insofar as applicable, the rules and regulations relating to or promulgated by the Protection of Persons and Property Committee.

1.02 Both of the parties to this Agreement are desirous of reaching an amicable understanding with respect to the employer/employee relationship which exists between them and to enter into an Agreement covering rates of pay, hours of work, and conditions of employment and to facilitate a peaceful adjustment of all grievances and disputes that may arise under this Agreement.

ARTICLE II. RECOGNITION

2.01 The Employer recognizes the Association as the exclusive collective bargaining representative for the purpose of conferences and negotiations with the Employer, or its lawfully authorized representative on questions of wages, hours, and other conditions of employment for the unit of representation consisting of all regular full time and regular part time Non Protective Service Employees in the Fond du Lac County Sheriff's Office excluding the Sheriff, all supervisors and confidential employees as defined by law to include the Undersheriff, Chief Deputy, Captain, Lieutenants, Jail Supervisor, Juvenile Superintendent/Assistant Jail Administrator, Office Coordinator, and all Protective Service Employees.

ARTICLE III. MANAGEMENT RIGHTS

3.01 Except as otherwise provided herein, the management of the work and the direction of the force, including the right to hire, promote, transfer, demote, suspend or otherwise discharge for proper cause, and the right to relieve employees from duty because of lack of work or other legitimate reason is vested in the Employer.

3.02 The Employer shall have the right to establish reasonable work rules.

ARTICLE IV. PROBATIONARY PERIOD

4.01 All new employees shall be employed on a six (6) month probationary period. A probationary employee may be disciplined or discharged for any reason without recourse to the grievance procedure. Time spent in school, with FTO or training away from the job during an employee's six (6) month probationary period shall not be considered as part of the six (6) month probationary period and the probationary period shall be extended equal to said time spent in school or training.

4.02 Upon completion of the probationary period, the employee shall be granted seniority rights from the date of original hire in the regular full time or regular part time position or from the date of hire as established in Section 4.04.

4.03 Probationary employees who desire hospital and surgical insurance coverage after ninety (90) days of employment shall be entitled to coverage in accordance with the contribution schedule in Section 16.01 of this Agreement.

4.04 Part-time and temporary employees who are awarded regular full-time or regular part-time positions in the same classification as that worked as a part-time and/or temporary employee shall have their

date of hire adjusted as follows:

<u>Hours Worked As Part-Time And/Or Temporary Employee</u>	<u>Number of Months Date Of Hire Back Dated</u>
433 or More	3 Months
At Least 260 But Less Than 433	2 Months
At Least 87 But Less Than 260	1 Month
Less Than 87	No Adjustment

The date of hire established in accordance with the above procedure shall serve as the employee's original date of hire for purposes of seniority and vacation and sick leave accrual and eligibility for hospital and surgical insurance. There shall be no allowance for retroactive holiday accrual.

ARTICLE V. DEFINITION OF EMPLOYEES

5.01 The following definitions shall apply to this Agreement:

- a) Regular Full-Time Employee: Shall mean those employees regularly scheduled to work a full normal schedule (minimum of thirty-seven and a third (37.34) hours per week).
- b) Regular Part-Time Employee: Shall mean those employees regularly scheduled to work less than a full normal schedule but not less than eighteen (18) hours per week.

ARTICLE VI. SENIORITY

6.01 The Employer agrees to the seniority principal. There shall be two (2) types of seniority as follows: 1) Departmental, 2) Classification.

6.02 After completion of probationary period an employee's seniority date shall date as of the date of employment as a regular full-time or regular part-time employee within the bargaining unit with the Employer or as established pursuant to Section 4.04 of the Agreement and shall not be considered terminated except upon 1) discharge for cause, 2) voluntary quit, 3) failure to return upon the expiration of a leave of absence, 4) layoff for a period exceeding two (2) years, or 5) failure within seven days after sending notice to respond to recall from layoff after written notice by certified mail is sent to the employee at the last address appearing on the Employer's records.

6.03 A seniority list shall be prepared and posted by the Employer. Such list shall be prepared in order of seniority and will show the names and dates of employment of all persons in the bargaining unit. A copy of such list shall be mailed to the Union and such list shall be reviewed at twelve (12) month intervals.

6.04 Any employee covered by the Agreement who is promoted within the Sheriff's Jail Division to a classification not with the Bargaining Unit (BU) , shall retain the seniority that he/she had as of the date of his/her promotion for a period of up to one year following the termination date in the position to which promoted unless the termination was for cause. If the employee then fills a vacancy in a classification within the BU within the one year, he/she shall be credited with the seniority previously accumulated within the BU.

ARTICLE VII. LAYOFF

7.01 In laying off employees because of a reduction in forces, the employees with the least seniority within a job classification shall be laid off first. In re-employing, those employees with the greatest length of service shall be called back first provided, however, that they are qualified to perform the available work.

7.02 In the event of a reduction in the work force, the County agrees to notify the Association thereof

as soon as reasonably possible after reaching such determination. The Association and County shall meet within three (3) working days after a request by the Association, if any, to discuss the impact of such reduction on bargaining unit employees.

7.03 An employee(s) who is unable to retain his/her present job classification due to a reduction in force may apply his/her total county seniority to bump the least senior employee, if any, within a job classification which the employee has previously held, or is qualified to perform by previous cross training. However, any employee bumping into a job classification after the start of a calendar year will not have any seniority rights within that job classification as to selection of shift, vacation, etc., during the remainder of that calendar year in regard to other employees who were employed within that job classification prior to the bumping procedure.

7.04 The employer shall provide a severance package to employees whose positions are eliminated due to budgetary reasons or operational efficiency. The severance will be equal to one month of the employee's elected employer sponsored health insurance plan for every 18 days of accrued sick leave. The employer agrees to pay its portion of the health insurance plan. Employees that elect to retire in lieu of layoff will be offered one month of the employer sponsored health insurance plan for every 6 days of accrued sick leave up to a maximum of 12 months. If the employee does not currently participate in the employer sponsored health insurance, they will be compensated by a cash pay-out equal to 50% of the employer's current cost of a single health plan. This option is also subject to a 12 month maximum for employees that elect to retire. If the employee elects the severance package and is later recalled from layoff their sick leave balance will not be reinstated as the employer will have considered the employee fully compensated for their accrued sick leave.

ARTICLE VIII. JOB POSTING

8.01 The Employer shall periodically issue job postings for the various positions in the Fond du Lac County Sheriff's Jail Division. The Job posting shall be posted on all bulletin boards for a minimum of seven (7) days. The job requirements, qualifications and wage rate shall be part of the posting and sufficient space provided for interested parties to sign said posting. The Union President shall be notified and provided with a copy of each posting and upon completion of the posting, the Employer shall furnish the results of that posting (eligibility list) to a Union Officer.

8.02 All regular full-time and regular part-time employees shall be eligible to sign these periodic job postings. For job postings concerning correctional officer vacancies, part-time and temporary employees as well as outside applicants may be considered in the establishment of the eligibility list. The Human Resources (HR) Director and representatives of the Sheriff's Office shall review the list of all the employees who have signed the job postings as well as a list of interested part-time and temporary employees and outside applicants (when applicable) and establish a list of qualified employees in order of preference for filling future vacancies. The eligibility list, so established, shall be used to fill future vacancies for a period not to exceed 12 months.

8.03 Candidates will be ranked in order of their qualifications with preference given to seniority and unless a junior employee or an outside applicant has clearly superior qualifications, as determined by the HR Director and/or the Office head representative of the Sheriff's Office, the more senior employee will be ranked higher on the eligibility list. In determining qualifications, the Employer may administer applicable written and oral examination, conduct interviews and consider other pertinent factors and skills, including evaluation of the employee's work performance as an employee and the employee or applicant's prior work experience.

8.04 Qualifications Disputes: If there is any difference of opinion as to the qualifications of an employee the Association Committee and/or the Association Representative may take the matter up for adjustment through the Grievance Procedure.

8.05 Non-Protective Service Employee vacancies in the Fond du Lac County Sheriff's Office shall be filled from these eligibility lists.

8.06 All promotion or transfers will be for a trial period that shall not exceed six months in duration. During this period an employee may return to his/her previous position within the bargaining unit at his/her choice or by request of the HR Office/Department head. Employees promoting or transferring outside of this bargaining unit have no protection under this section. To minimize disruptions in scheduling the movement of

personnel:

- a) Employees who are involuntarily returned to their former classifications from within this bargaining unit may be assigned to different shifts from the shifts they vacated upon promotion or transfer for a period not to exceed sixty (60) days. Employees who are involuntarily returned to their former classifications shall retain their original seniority date within that classification.

After these vacations have been approved, during the period March 15 and April 15, employees may request a second vacation preference. Subject to the limitations cited above, the Employer will approve vacation requests and inform employees by May 1 of such approval.

9.05 Where fractional vacation days occur, they shall be rounded off to the nearest full day for purposes of computing pay and time off.

9.06 If unusual circumstances prevent an employee from taking vacation, the employee must apply to and receive permission from the Sheriff for any deviation from the vacation rules.
